Saudara – saudara Sebangsa dan se-Tanah Air. Kalau jadi Hindu, jangan jadi orang India. Kalau jadi Islam, jangan jadi orang Arab. Kalau jadi Kristen, jangan jadi orang Yahudi. Tetaplah jadi orang Nusantara, yang Kaya akan Adat, Budaya yang Kaya Raya ini. Ingat wahai, Saudara – saudara, musuh yang terberat adalah Rakyat sendiri, Rakyat yang mabuk, akan Budaya luar, yang mabuk Agama, yang rela membunuh Bangsa Sendiri, demi menegakkan Budaya asing. Jangan mau diperbudak oleh semua itu. Tetaplah Bersatu-padu, membangun Negri ini tanpa

pertumpahan darah. Hai Anak-ku, Cipta segala yang kau mau, jangan ceritakan
derita dan sakit ku kepada Rakyat, biarkan aku yang menjadi korban, asal
Indonesia Bersatu. Ini aku lakukan demi Persatuan dan Kesatuan dan Persatuan
Keutuhan Bangsa. Jadi kan derita ku ini sebagai Saksi. Bahwa Kekuasaan
Presiden sekalipun ada batas nya. Karena Kekuasaan adalah Langsung dari
Tangan Rakyat, dan Kekuasaan di atas segala nya adalah Kekuasaan Tuhan Yang
Maha Esa (Y.M.E). Merdeka!!!. ~
